

Biographical Details

Mandy Watson

Project Manager, Property, Clyde Gateway

Mandy is a chartered surveyor with over 14 years' experience in general practice. Mandy joined Clyde Gateway in August 2016 a project manager in the property team at Clyde Gateway URC where she deals with land and property acquisitions and disposals including compulsory purchase and inward investment. Prior to this, Mandy was Head of Public Sector, Glasgow at Ryden LLP where she specialised in strategic asset management. During her time there she advised public sector clients on some of the largest property disposals in Glasgow in recent years including Police Scotland HQ and City of Glasgow College portfolio.
