

AGM – 22 October 2019

PROXY NOTICE

- As a paid up member of the CPA, I wish to cast my vote by proxy.
- This allows you to vote in advance, if you have decided how to vote. In this instance, you do not need to name a proxy, but you need to fax or email this completed form to the office by **Friday 18 October, 16.00**.
- If you empower someone to decide how to vote on your behalf at the meeting, this form still needs to be completed and faxed or emailed to the CPA office by **Friday 18 October, 16.00**. In this instance, the proxy must attend the meeting and cast your vote. They must have a copy of this form and hand it to the administrator BEFORE the AGM begins. The AGM begins at 18.00. They are responsible for attending the meeting, being there sufficiently early to register and pass this notice to the administrator of the election.
- The details below are accurate.
